Introduced by ~~Senator~~ *Senators Anderson and Wyland*
(Coauthor: Assembly Member Garrick)

February 2, 2011

An act to amend Section 11019.8 of the Government Code, relating to economic development.

LEGISLATIVE COUNSEL'S DIGEST

SB 162, as amended, Anderson. ~~Economic Development~~ *development*: federally recognized Indian tribes.

Existing law encourages and authorizes all state agencies to cooperate with federally recognized California Indian tribes on matters of economic development and improvement for the Indian tribes. Existing law provides that cooperation by state agencies with federally recognized California Indian tribes on those matters may include certain activities, including, among others, providing information on programs to assist Indian tribes.

Existing federal law requires the Secretary of the Interior to publish a list of all federally recognized Indian tribes in the federal register.

This bill would add to the nonexclusive list of topics that state agencies may cooperate with federally recognized Indian tribes *by consulting on a government-to-government basis, in a respectful and*

meaningful manner, with respect to the transfer of fee land into federal trust status. This a fee-to-trust land acquisition application, as specified. The bill would prohibit a state agency from opposing specified fee-to-trust land acquisition applications. The bill would define a federally recognized Indian tribe as a tribe appearing on the list published by the Secretary of the Interior.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 11019.8 of the Government Code is

Introduced by Senator Anderson

February 2, 2011

An act to amend Section 19817 of, and to add ~~Sections 19933 and~~ Section 19934 to, the Business and Professions Code, relating to gaming.

LEGISLATIVE COUNSEL'S DIGEST

SB 162, as amended, Anderson. California Gambling Control Commission: Gaming Policy Advisory Committee.

(1) Existing law establishes the California Gambling Control Commission and requires the commission to establish a 10-member Gaming Policy Advisory Committee composed of representatives of controlled gambling licensees and members of the general public in equal numbers. Existing law requires the executive director of the commission to convene this advisory committee, from time to time, for the purpose of discussing recommended controlled gambling regulatory policy. Existing law grants the Attorney General the authority to structure the Department of Justice, pursuant to which the Bureau of Gambling Control was created within the department.

This bill would delete the requirement that the committee be composed of 10 members and would require that at least 3 members of the committee be members of the general public. The bill would require the advisory committee to meet at least twice a year and would require the commission and the Department of Justice to consult with the committee on recommended proposed regulations and would require

the committee to present its recommendations to the Department of Justice.

(2) Existing law requires the Department of Justice to make appropriate investigations ~~whether there has been any violation of violations~~ of the Gambling Control Act or any regulations adopted under the act and authorizes the department to take action to suspend a license or permit.

This bill would ~~require a notice of violation from the department regarding a noncriminal violation of the Gambling Control Act to be filed on or before 12 months after the violation occurs. The bill would also~~ prohibit the commission from commencing an action against a gambling establishment, its owners, or its employees for a violation of the act committed independently by a 3rd-party provider of proposition player services or its employees.
